HERTZ MARINE&POWERSPORTS PRODUCT DISPLAY

The Sound Experience

TECHNICAL SPECIFICATIONS

CODE	90100037
SIZE W x D x H cm (in)	88 x 196 x 59 (34.6 x 77.2 x 23.2)

DESCRIPTION

Display featuring a solid tubular stainless-steel frame and two polycarbonate enclosures finished with a decorative TEAK-effect wooden panel.

The eye-catching design was taken care of by the Hertz style centre that designed the display to show a complete chain of Marine products consisting of:

- Source
- Amplifier
- Set of 6.5 in. Coaxial speakers
- Set of 8 in. Coaxial speakers
- Set of Tower speakers
- 12 in. Subwoofer

All specifications subject to change without notice_24 A

- Neat installation without visible wiring

All specifications subject to change without notice_24.A

ASSEMBLY INSTRUCTION

HZ MPSD

HERTZ MARINE&POWERSPORTS PRODUCT DISPLAY

1

Connect the two steel tubes and tighten with the supplied screws

2

It is recommended to use damping material inside the two boxes

3

Tighten the decorative panel with the screws supplied

ASSEMBLY ADVICES

HZ MPSD

HERTZ MARINE&POWERSPORTS PRODUCT DISPLAY

1

Carefully screw the speakers onto the wooden panel using only the hexagonal screws provided.

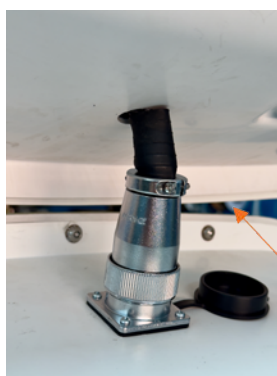

2

We recommend using metal shims to allow the passage of the amplifier connection cables coming from the dedicated hole.

3

The display employs a six-pin professional connector to link the upper and lower sections. Please ensure to connect the six pins identically between the upper and lower parts.

4

The professional connector between the upper and lower parts is screwable for a perfect and durable seal.
